## The ABCs of Debt Recovery

What should you do if a customer refuses to pay? In this session, you will learn practical tips and techniques to protect the financial interests of your business, saving you time and money in the process. Our expert advice will empower you to take appropriate action without the immediate need to engage a lawyer. Additionally, gain valuable insights into identifying the right time and approach for involving legal assistance when all else fails. Don't let unpaid invoices hinder your business growth – arm yourself with the tools and knowledge to effectively tackle debtor issues.

This presentation is specifically tailored for small and medium businesses, covering the following key topics:

- The importance of recording the terms of your agreements;
- How to recover money without a lawyer;
- When to see a lawyer;
- What happens in court proceedings; and
- How to enforce a court order.

*We look forward to you joining us.*
