Light the Night

Donate to support the Leukaemia Foundation

On 7 October 2016 we'll be taking part in the Leukaemia Foundation's annual "Light the Night" walk to help more Australians beat blood cancer.

It will be a rewarding experience to walk in solidarity with our families, friends and colleagues, but supporting people to help them live longer and better lives is what this special event is all about. This is why we're aiming to raise \$2,000 to support this very worthy cause.

To help us achieve our goal we're asking everyone to join us for the walk and to donate, no matter how big or small.

Every \$100 we raise will cover the costs of giving one family immediate emotional support after the shock of diagnosis, and one hour of life-changing blood cancer research.

You can make a donation to our group today by clicking on the link below and choosing the 'Donate now' button.
